Mode: Online

Date: 22.12.2021

Resource Person: Dr. Susmita Lakhyani

Time: 3:00 PM to 5:00 PM

Art has the power to transform, to illuminate, to educate and to inspire. Keeping in mind the importance being accorded to Art Integration by CBSE, DPSS-HRDC organized a webinar on "Art Integration In The Middle School Curriculum" wherein the resource person explained the importance of integrating art in the academic curriculum.

As per Dr. Susmita Lakhyani "Arts integration is instruction that blends content and skills from one arts discipline—music, visual arts, dance, and theatre with another arts discipline or academic subject" and if delivered successfully, art integration can have a profound effect on student learning and engagement.

The webinar helped the teachers realise that students have multiple opportunities to enhance their critical thinking skills, problem solving skills and decision-making skills by making connections across art and academic disciplines.
