

Trip to Jim Corbett National Park

‘There is no greater reward from travel than the knowledge and experience gained along the way.’

Delhi Public School, Gurgaon organised a three-day educational tour to the Jim Corbett National Park, for the students of class 11, from May 26th, 2022 to May 28th, 2022. The children were very excited with the prospect of seeing wild animals in the reserve park. On the way to the park, they enjoyed a hearty breakfast at a Bikanerwala outlet. The visit commenced with an enticing talk by a naturalist on Jim Corbett forest and its wildlife. Children had a fun-filled evening at the river side.

On the second day, the safari to the Tiger Reserve was a thrilling experience. The children also saw peacocks, spotted deer, wild boars, sambars and rare species of birds in their natural habitat. The spectacular view of leopards in the wilderness further augmented their excitement.

The visit to Jim Corbett Museum enlightened the children about the history of the tiger conservationist, Mr. Jim Corbett, through the display of his personal belongings and rare photographs.

The evening was a time to dance to the rocking numbers played by the DJ.

Overall it was an informative and fun-filled trip which opened the young minds to new ideas and respect for preservation of wild life.
