

REPORT

Name of the Workshop: Professional Development Workshop

Conducted by : High School Moms & Huron at Western University, Ontario, Canada

Attended by : Ms Survi Sinha & Ms Shruti Arya

Venue : Taj Hotel, New Delhi

Date : 6th March 2021

A day long professional development workshop was organized for educators wherein the speakers threw light on the admission process of Huron University, Canada.

The workshop commenced with an interactive session by Dr Barry Craig, President, Huron University who spoke on 'Leadership with Heart' that leads to high level of success. Mr. Moustafa Ezz, Director of International Recruitment and Strategy, Huron University enlightened the participants about the experience and employability of international student in Canada. He emphasized on the admission requirements and specific subject areas. He also spoke on scholarships offered and LORs and their importance.

Other speakers during the course of the day were Mr. Toby Travis who spoke on 'School Improvement'. He mentioned that the indicator of successful schools is the trusted leadership which results in increased retention of staff, higher student achievement and fewer behavioural issues. Mr. Abhishek Gupta, CEO, HSM and INACE spoke on challenges and solutions of virtual interaction and gave tips on ways to engage the students for the entire online session. Mr. Gavin McCormick, TEDx spoke on 'Changing Role of Educators and Learning Spaces'. He emphasized on evaluation and the changing pattern of assessments.

Ms. Serena Menezes of Tailwind Consulting, elaborated on 'Understanding Learning Styles for Effectiveness' and Ms. Anjali Anand Seth spoke about 'Changing Dynamics of Student Recruitment'. She spoke on the importance of essays and statement of purpose for admission to the university.

It was an informative and enriching session, giving an insight into admission related procedures.
