

Report- SPOTLIGHT 2024- Our University Fair

“The journey of a thousand miles begins with a single step. Take that step, now!”

Delhi Public School, Sector 45, Gurgaon, hosted a successful University Fair, SPOTLIGHT 2024, on Thursday, 22nd August, 2024, for the students of grades XI and XII. The fair is a DPS Gurgaon initiative to facilitate the students to explore new possibilities as per their aptitude. The Pro Vice Chairperson, Ms Devyani Jaipuria and the Director Principal, Ms Aditi Misra, along with the university representatives, inaugurated the fair by lighting candles. The event was held in the school auditorium and featured representatives from over 40 prestigious national and international universities. The fair witnessed a footfall of more than 1500 people comprising of parents, students from the host school and schools from the NCR. Curiosity and enthusiasm was writ large on their faces.

Through this fair, Ms Jaipuria, has created an opportunity that empowers the students to make informed choices and encourages them to think critically about their academic and career goals and align it with their long-term aspirations. Ms Misra, envisions the fair as an opportunity for students to enhance their awareness and gain insights into latest trends in higher education.

At the fair, the students picked up brochures, asked questions, and discussed their interests with the university representatives. This personalised interaction allowed students to gather detailed information specific to their academic goals. The students and parents got information on choosing the right major, understanding the application process, and tips for writing a standout college essay. They also offered insights into their courses, scholarships and co-curricular activities. It was an excellent opportunity for students to navigate a wide range of academic options.

The event was a resounding success, fulfilling its goal of guiding and empowering students in making informed decisions. The enthusiastic participation of both students and universities underscores the value of such events in shaping future educational paths.
