

Report Plantation drive

As part of the Ministry of Education's week-long celebration, 'Shiksha Saptah', DPS Gurgaon organised a plantation drive under the #Plant4Mother initiative on Saturday, 27th July 2024. Our school organises annual plantation drives and this year the event commemorated the 4th anniversary of the National Education Policy (NEP) 2020, marking a significant milestone in educational reform and environmental awareness.

The noble endeavour began with the auspicious chanting of shlokas by the students, emphasising the importance of trees. The ceremony was graced by the presence of Director Principal, Ms. Aditi Misra. She appreciated the initiative and actively participated by planting the first sapling.

Around 40 saplings, including neem, pilkhan, amla, mango, and arjun, were collaboratively planted by students and their mothers. The activity aimed to strengthen the bond between students and their mothers while fostering a connection with the surrounding ecology.

Students will be guided by the Eco Club members to nurture their respective saplings, ensuring they receive water, nourishment, and protection from harsh weather.
