Delhi Public School, Sector 45, Gurgaon organised an Inter-House Extempore Competition for the students of classes VII and VIII on 19th April, 2024. The event aimed to foster public speaking skills, enhance critical thinking, and boost confidence among students.

Each house nominated two representatives from classes VII and VIII, resulting in a total of 12 participants from each section of a class. Every participant was given a topic on the spot and they were then required to deliver a spontaneous talk. The topics covered a wide range of themes, including current affairs, moral dilemmas, social issues, and personal experiences.

The competition followed a structured format of assessment where participants were assessed based on various criteria such as content, coherence, delivery, confidence, and overall impression. The scores were awarded accordingly.

The competition witnessed enthusiastic participation from all houses as students showcased their impressive oratory skills, demonstrating a deep understanding of the topics by presenting compelling arguments.
