

REPORT MATHELETICS 2021

‘ It is important to approach Mathematics only in a spirit of curiosity and discovery ’

- Shakuntala Devi

Delhi Public School, Sector 45, Gurgaon, organised an online Interschool Mathematics Competition – MATHELETICS 2021 on 16th August’21. Ideated by Director Principal, Ms Aditi Misra, the competition aimed at awakening curiosity among students in both logical and structural nature of the subject. The event offered students a platform to exhibit their talent and skills with great enthusiasm and passion. 170 students from 30 different schools participated in it under different categories.

The competition was held for classes VI to XII with diverse Mathematical events like Mathrix - Comic Strip, Math Matters-Presentation on Mathematics in the real world, Math Relevance- Poster Making, Math- E- Zine-The Math Magazine and Fascinating Fractals -The Making of Fractals. Participants expressed their creativity, brilliance and unbridled imagination through their work. The students were judged on the basis of real-life applications, expressions, subject knowledge, creativity and overall presentation.

The result for the various events was declared on 8th September 2021. Lotus Valley International School, Gurgaon was declared the overall winner of the MATHELETICS 2021. Such events encourage the spirit of enquiry , communication and collaboration amongst the learners promoting 21st century skill sets.
