

## PRESERVING INDIAN ART & CULTURE

Preserving art and culture is crucial for safeguarding the diversity and richness of human societies. Art and culture serve as essential elements of our heritage, shaping our identities, values and beliefs.

Badge making activity was conducted for students of class IX on preserving Indian Art & Culture. The activity enabled the students to appreciate the rich history and heritage of our country. It focused on protecting traditional art forms, promoting cultural education and fostering an appreciation for diverse customs and practices.

Students realised their responsibility of preserving Indian art and culture which in turn will help to maintain our unique identity and promote national pride.
