

COMMEMORATIVE STAMP MAKING ACTIVITY FOR AIR FORCE DAY

To celebrate Air Force Day, a commemorative stamp making activity was organised for students of class IX. The event aimed to honor the dedication and valor of our Air Force personnel and raise awareness about their vital role in national security.

Students were encouraged to create stamp designs that depicted the bravery, dedication, and achievements of the Air Force. Themes included fighter jets in action, Air Force personnel in uniform, and patriotic motifs. The activity also emphasised the importance of peace and security.

The event saw enthusiastic participation from students. The activity encouraged creativity and artistic expression while promoting an understanding of the significance of Air Force Day. It provided a platform to students to express gratitude to those who serve our nation in the skies. This event demonstrated the power of art in commemorating and acknowledging the invaluable contributions of our Air Force.
