

## WORLD HEALTH DAY CELEBRATION

*'The greatest gift you can give your family and the world is a healthy you...'*

Raising awareness about physical health and mental wellbeing, Delhi Public School, Gurgaon, celebrated the World Health Day. The students of class X enthusiastically participated in Poster Making activity along with sharing awareness messages.

The students used their creativity and imagination and created a diverse range of impactful posters covering various health-related topics, such as handwashing, healthy eating habits and the benefits of exercise. They used visually appealing aids and catchy slogans to effectively convey their messages.

The poster-making activity successfully achieved its objective of inspiring the students to adopt healthy habits and raise awareness among their peers and families. It was a great success, providing an interactive and enjoyable way for the students to learn about the significance of maintaining good health and hygiene and creating a healthier world.
