

## **NAJAFGARH ECO-ADVENTURE CAMP**

Travel is said to be the most intense form of learning. Nothing teaches us more than exploring the world and accumulating new experiences.

To provide a good base of actual hands-on experience of rustic life, Delhi Public School, Gurgaon organised a fun filled Eco-Adventure Camp to Najafgarh for the students of class IX on February 15th 2023. During the camp the students explored a picnic option with adventure and fun activities showcasing village life.

The trip commenced with a warm welcome by the friendly staff of the camp. The students were thereafter, divided into small groups and a camp guide was assigned to take lead of each group. After relishing a delicious breakfast, the students participated in various adventurous and thrilling activities like river crossing, wall climbing, commando crawl, commando net, balance beam, tunnel crossing etc. There were other entertaining activities too like a magic show, tractor ride, bullock cart and camel cart rides etc. which gave them a glimpse of the countryside life. The day came to a culmination with the students rocking the dance floor by grooving to popular Bollywood numbers. The camp enabled the students to bond with their friends, learn new skills and also enhanced their interpersonal skills to work effectively in a team. Overall, the camp was an extremely memorable and enriching experience that will be cherished by the students.
