

## CLASS X : ASSEMBLY REPORT

School assemblies provide an excellent resource opportunity to learn more about the school, and its value system. The school aims at giving responsible citizens to the society and the nation.

The students of Class X presented an assembly on Tuesday, 2<sup>nd</sup> May 2023 on the topic ‘**Study Skills**’.

The assembly commenced with a prayer followed by the thought for the day, news headlines, weather reports, and a write-up and poem. They explained that effective study skills are an essential component of academic success. The ability to organize, comprehend, and retain information is crucial in order to excel in any field of study. The utilization of proper study skills not only enhances one's understanding of the subject matter, but also aids in time management and stress reduction. Good study skills involve setting specific goals, creating a conducive study environment, and developing effective note-taking techniques. Honing one's study skills is a lifelong pursuit that extends beyond academic endeavours. The ability to learn efficiently is an asset in any profession, allowing individuals to continually improve their skills and knowledge. Therefore, by developing effective study habits early, one can prove to be invaluable in both academic and professional settings. In today's fast-paced world, where knowledge is constantly evolving, developing strong study skills is the need of the hour. By continuously refining and adapting these skills, individuals can stay ahead of the curve and succeed in any endeavour they pursue.
