

REPORT ON BAISAKHI ASSEMBLY

‘If you tickle the Earth with a hoe, it laughs with a harvest.’

The Chenab House of the Junior Wing conducted a special assembly on Baisakhi on 12th April 2023 with great zeal and fervour. The motive behind the celebrations was to apprise the children of their rich culture and heritage and be grateful to the farmers for their tireless efforts.

Baisakhi marks the end of harvest season and is an occasion of tremendous joy and festivity for the farmers. The significance of Baisakhi, heralding the beginning of the Summer season was explained beautifully through a skit highlighting that Baisakhi also commemorates the formation of the Khalsa Panth by Guru Gobind Singh in 1699.

The skit was followed by a vibrant foot tapping dance which was enjoyed by everyone. The students were delighted to witness a splendid performance by their peers. The assembly concluded with a message from the Director Principal, Ms. Aditi Misra that farmers play an important role in our lives as they toil hard to provide food for everyone living in the nation. So, we must express our gratitude towards them.
