

Report on Class Assembly by students of classes VI J and VII G

Preparation for Exams

“Self-belief and hard work will always earn you success.” — Virat Kohli

With an aim to motivate and guide students in their academic endeavors, students of classes VI J and VII G conducted an assembly on 1st Feb 2024 on the topic ‘Preparation for Exams’. The class assembly began with the soulful prayer ‘God give me courage’. An excellent and enduring practice is to update ourselves daily. Students shared a variety of news to keep everyone informed and energised.

This was followed by a short skit and a poem to highlight the importance of exam preparation and motivating students to do well. The students shared some practical tips and emphasized on the significance of effective study habits, time management, healthy eating habits and stress management techniques to ensure optimal performance during examinations.

The assembly left a positive impact, inspiring students to approach the examination period with confidence, commitment, and a well-balanced perspective.
