

DELHI PUBLIC SCHOOL, GURGAON MOCK ELECTIONS REPORT

“Voting is not only our right—it is our power.”

-Loung Ung

A Mock Election was organized on 13th February 2025 for Class IV students to provide them with a hands-on experience of the electoral process, which is a vital part of any democracy. This interactive activity aimed to familiarize students with the process and significance of elections in the largest democracy of the world.

As part of the process, students displayed remarkable creativity by designing manifestos for the posts of class monitors and eco warriors with catchy slogans and promises for student welfare and school development.

The campaigning began a week in advance, with candidates actively participating and using innovative ideas to convince their classmates to support their candidacy. Election day saw enthusiastic participation, as students cast their votes in a well-organized process managed by teachers. After voting, teachers counted the ballots, and the results were announced immediately. The students who received the highest number of votes were elected to the posts of Class Monitors and Eco Warriors.

To ensure transparency and fairness, Ms. Kanu Chopra, Headmistress of the Junior Wing, and Ms. Geetu Khanna, Senior Mistress, visited the classrooms as Election Officers. Their presence underscored the importance of maintaining integrity throughout the electoral process.

This activity not only fostered a deeper understanding of democratic principles but also encouraged active student participation, leadership, and teamwork, making it a memorable and educational experience for all involved.
