

## REPORT ON ECO-ADVENTURE CAMP- NAJAFGARH

*'Travel opens your heart, broadens your mind and fills your life with stories to tell'*

To break the monotony of the routine and recharge the students with new energy, a fun filled Eco Adventure Camp was organised by Delhi Public School, Gurgaon at Najafgarh for the students of Class VI on 13<sup>th</sup> December 2024. The objective of the visit was to provide a safe and meaningful adventurous experience that balances challenging adventure and exploration with fun. The trip also helped them to have a better understanding of the wonders and joy of the natural world. As the excited group ventured into the camp site, they received a warm welcome by the friendly staff of the camp. Thereafter, the students were divided into small groups and a guide was assigned to each group. All the activities were supervised by the experienced and qualified staff members of the camp ensuring the safety of students.

After relishing over a sumptuous breakfast, the students participated in various adventurous and thrilling activities like artificial River Crossing, Burma Bridge, Wall Climbing, Commando Crawl, Commando Net, Balance Beam, Tunnel Crossing, etc. They had a memorable time going on for different rides like tractor, camel cart and bullock cart. They observed carefully the process of making butter milk, moulding clay on the Potter's Wheel and spinning yarn. They participated in all the activities with full enthusiasm.

The fun filled day came to an end with the children grooving to the tunes of some lively dance numbers and an entertaining magic show. Amidst the tranquility and the lush green ambience of the farm, the students got a glimpse of rural life. They enjoyed each and every aspect of the trip thoroughly as it was a wonderful learning experience for them.
