

Report on Diwali Lantern Activity

On 15th October 2022 students of classes VII and VIII enthusiastically participated in Lantern Making activity by creating colourful paper lanterns.

Students used recycled paper to create decorative Diwali craft bringing with it a wave of festivity and happiness. They were motivated to make use of 4R's, Recycle, Reduce, Reuse and Recreate, promoting a sustainable and eco-friendly Diwali.

Students enthusiastically participated in this activity by showcasing their skills while creating Diwali Lanterns. Their artisanship was quite alluring and was much appreciated by one and all.
