

Report on Screening of Short Film- “Ghutan” by ShutterMe Films

“There is a point where courage becomes a symptom of mental illness.”

Delhi Public School, Gurgaon organised the first ever, official screening of the short film ‘Ghutan’, on March 4, 2022 for the students of class X (2022-23).

The ShutterMe production and directing crew, consisting of Dhriti Gupta-XD(2021-22) and her team members , conducted the official screening session of their short film- ‘Ghutan’. The film emphasised on the significance of mental health and trauma in the current- day society, and the need for it to be addressed from the beginning itself. The cast and crew of the film, had meticulously scripted and directed the film, by expressing the various aspects to mental disorders. The students gained great insight regarding mental health and were urged to share their feelings and confide in the people they trust, regarding the same. The school counsellor, Ms. Renuka Fernandez, counselled the students on the importance of being both mentally and physically fit and the need to ask for help, in such times. The Dean-Student Welfare, Ms. Sapna Dhawan, praised the cast and the crew for the fantastic representation and the well- curated script. Overall, it was an insightful, brilliant and a fruitful session.
