Event: CBSE Science Exhibition 2022-23

Theme: -Technology and Toys

Venue: Lotus Valley International School, Gurugram

Date: 8th Feb, 2023

Escort Teachers: Grishma Sharma and Shruti Munjal

A team of five students from class VIII attended the CBSE Science Exhibition organized at Lotus Valley International School, Gurugram.

The prestigious exhibition with the theme ‘**Technology and Toys**’ gave a platform to the young innovative participants from almost five hundred schools across the country to showcase their creativity and imagination at the National level.

The exhibition highlighted the need to initiate scientific thinking and its application. The exhibits were based on themes such as advancement in communication and information technology, eco-friendly materials, health and cleanliness, transport and communication, historical development and current innovation.

Some of the most interesting and intriguing exhibits included a smart bag for women’s safety, purification by sarkanda plant, aero-bird, solution to parali problem, plasma pyrolysis process, aqua struan cleaner and a robotic dog who is able to solve mental health problems. These experiments showcased a scientific spirit and curiosity amongst students.

The science exhibition engaged the students in exploring new facts and inventions with great zeal. It was a wonderful learning experience for them.
