## Junior School

**“Our nation is the greatest in the world,  
but let us strive to make it even better.”**

The Republic Day celebrations kindle the feeling of patriotism and brotherhood which fills our hearts with national pride. The students of the Junior School celebrated Republic Day with great pride and honour. The young students paid their tribute to the martyrs, which reverberated in the hearts of everyone with the sacrifice and hard work they have put in to build the nation. To mark the event, an online assembly was organised wherein the students recollected different facts about Republic Day celebrations. It started with a solemn prayer to the Almighty and beautiful thought that filled our hearts and minds with love for our nation.

While remembering and paying homage to the heroes who fought to achieve our freedom, the students also spoke about the importance of this day and the birth of India as a Republic State. They shared interesting facts about the history and significance of the event celebrated with great fervour and enthusiasm all across the country. The beautiful presentation of the assembly inspired the students to be more responsible towards their country and abide by the constitution of their motherland.

The students of classes III, IV and V continued the Republic Day celebrations by creating a poster in which they portrayed their ideas of ‘Unity in Diversity’. Information related to India becoming a Republic country was reinforced through a quiz. Everyone was imbued with the spirit of patriotism and celebrated Republic Day with great enthusiasm.
