

DELHI PUBLIC SCHOOL, GURGAON, 'ATL SCHOOL OF THE MONTH'

Under the able guidance of Director Principal, Ms. Aditi Misra, Delhi Public School, Sector-45, Gurgaon, which was selected as 'School of the Month' for April '23, has once again been selected as the 'School of the Month' for June 2023, by the Atal Innovation Mission, NITI Aayog. This is an acknowledgement of the innovative and creative skills of our young tinkerers, who always work enthusiastically on their ideas in Atal Tinkering Lab of the school.

Atal Tinkering Lab has introduced, our students to a new realm of knowledge-domain and collaboration of science with technology. It's an ecosystem for the students to learn 21st century skills. It is helping our students in developing a culture of curiosities in their learning process. ATL is a platform where children at their early age learn to develop web/mobile apps and make microcontroller, Artificial intelligence, Internet of Things (IoT) etc based devices.

They get various opportunities for training based on multiple technical skills. Children get a chance to showcase their work through different ATL events.

This recognition will further inspire our students and faculty to continue their endeavours in the field of STEAM (Science, Technology, Engineering, Art and Mathematics)

We express our gratitude to AIM for appreciating our efforts.
