

## Report –Satluj House Assembly and Award Function

**‘In the tapestry of education, house assemblies are the vibrant threads that create experiences and relationships out of classrooms.’**

Cultural activities enhance the confidence level of the students and foster teamwork while showcasing the students’ talent. In line with the above belief, Satluj House of Delhi Public School, Sec 45, Gurgaon organised an assembly on 25th September 2023.

The event which was based on the importance of the entire community which includes teachers, parents, neighbours, peers etc, in a student’s life, commenced with school anthem and choir. The students presented a dance drama showcasing the past, present and future scenarios of education system of our country which highlighted the irreplaceable position of a teacher. The young performers, effortlessly articulated themselves in the art of narration and expression through body movement leaving the audience spell bound. A musical rendition about the ‘Guru’ brightened the whole atmosphere and the auditorium reverberated with the applause. Dressed in colourful and vibrant costumes, the students brought the stage alive with their thought-provoking performances.

Awards were given to the students of classes IV A-IV D. The Director Principal, Ms. Aditi Misra addressed the gathering and urged everyone to be a teacher in real sense by being the role model in their conduct and words. She thanked all the parents for showing their support towards Shiksha Kendra. She also appreciated the awardees and inspired them to keep working hard.

The event culminated with the vote of thanks by the Headmistress, Junior Wing, Ms. Laveena Hemrajani. She applauded the efforts of the participants for enthusiastically participating and teachers for organising the event and thanked the parents for their constant support and trust.

The parents appreciated the school for making sure that in today’s world of AI and internet, through these events, students are being taught the importance of human touch, respect and love for their teachers.
