

Scholar Badge Class IX

Delhi Public School, Sector 45, Gurgaon recognised and honoured its exceptional scholars on 12 May 2023 in the Scholar Badge Ceremony of Class IX (2023-24), held in the school auditorium. The Director Principal, Ms. Aditi Misra, in her address, thanked the parent reps for their unwavering support and constant encouragement. She spoke about the special bond shared by the teachers and parents because of their common interest in the well-being and success of their children. She asked them to keep the performance trajectory of the children in mind since a lot of universities ask for the children's portfolio from Class IX to Class XII.

Ms. Misra awarded the Blue Badges and Scholar Badges to the meritorious students. She also awarded the rolling trophy for sports instituted by the parents of Abhishek Sahni, in his loving memory, to two students for their exceptional performance in the field of chess and football. She felicitated the students in the under 12 category for securing 2nd position in Inter School Basketball Tournament held at DPS International. Ms. Misra also felicitated the students who secured the 1st position in the Inter School Football Tournament organised by the British Council.

The school choir's rendition of the motivational song 'Bhor ke Raahi' was nothing short of magical. The audience was completely captivated, as the students' voices soared in harmony, leaving them with a sense of renewed hope and motivation. The event also featured an exceptional classical dance performance by the students, showcasing a fusion of the distinctive styles of Jaipur and Lucknow *gharanas*. The intricacies of these dance forms with musical accompaniment, left the audience spellbound.

The vote of thanks was proposed by the Head Mistress of the middle wing, Ms. Shalini Arora.
