Delhi Public School Gurgaon, in collaboration with Scholastic India, organised a Book Exhibition for the students of Shiksha Kendra as a part of the 'Joy of Giving Week' on Tuesday, 1st October, 2024. The initiative, #OneBookOneChild, facilitated the distribution of books free of cost to 1700 Shiksha Kendra students. The collection offered a wide array of genres, including storybooks, DIY guides, classics, gaming books, and books on general knowledge, ensuring a rich and diverse selection to ignite the students' curiosity and creativity.

The Director Principal, Ms Aditi Misra, thanked Mr Neeraj Jain, Managing Director, Scholastic India and his team for organising such a thoughtful and impactful initiative. This effort not only enhanced students' access to educational resources but also nurtured a love for reading and learning. The initiative promoted inclusivity, ensuring that even the underprivileged children could benefit from high-quality books.

Student volunteers from Class X of the morning school, along with the Head Council of Shiksha Kendra helped the students to identify books that matched their interests. The students' excitement and enthusiasm were evident throughout the event. Their thoughtful selection of books showed a keen interest in educational and recreational reading.

Overall the initiative reinforced the power of giving and cultivating a passion for reading and knowledge among young minds.
