

## Teachers' Day Programme- 2023

‘A good teacher is the one who inspires hope, ignites imagination and instills a love of learning.’

The Teachers' Day Programme at Delhi Public School, Gurgaon was testimony to the love and regard of the students for their teachers. The senior students had meticulously prepared a musical afternoon wherein their teachers could relax and enjoy themselves. They sang and danced to self-choreographed Bollywood numbers in the packed auditorium. The foot tapping music earned them a cheerful applause throughout. It was indeed a memorable afternoon for all present.
