### Report - Limerick Writing Activity

Team Shiksha Kendra, comprising Class XI students, organised a lively ‘Limerick Writing’ activity on 25 August for the Shiksha Kendra students of Classes III and IV. The students exhibited their creativity by composing wonderful limericks centered around the themes of gratitude and education. The young poets wrote remarkable limericks that not only showcased their creativity but also conveyed profound messages.

Team Shiksha Kendra members took on the roles of mentors, imparting the art of ‘Limerick Writing’ and guiding these emerging talents in channelling their creativity in the form of poetry. This initiative served as a testament to the transformative power of education, demonstrating that through words and imagination, we can shape the world. It instilled in the students a deeper understanding of the value of gratitude and education, inspiring them to be both thankful for the knowledge they receive and eager to contribute positively to the world through their literary talents.
