

Trip to Tehri for Grade VIII

The best education you will ever get is through experiences by travelling. Nothing teaches you more than exploring the world.

Delhi Public School, Gurgaon had organised a three-day educational trip to Tehri Uttarakhand, for the students of Grade VIII, from 8th March to 10th March 2024.

The Tehri Adventure Trip offered an exhilarating experience amidst the picturesque landscapes of Uttarakhand. The journey began with participants arriving at the Himalayan Eco Lodge, Sursingdhar, Tehri nestled amidst the lush greenery of the Himalayas.

Throughout the trip the children participated enthusiastically in a variety of low rope activities planned for them. They enjoyed doing Tree Jumaring, Rappelling, Zip line valley crossing, Double rope bridge crossing etc. Students had the opportunity to acquire invaluable survival skills.

Aside from the adventure activities, the children also pitched in to keep the mountainside clean. They diligently picked up trash left behind by others, following the principles of the Swachh Bharat Mission. This experience taught them to care for the environment and understand why it's essential to keep natural areas clean. It was an informative and fun-filled trip which opened their young minds to new ideas and learning.

Overall, the trip proved to be both informative and entertaining, providing the children with a platform to broaden their horizons and embrace new ideas and learning experiences. It served as a catalyst for personal growth, fostering resilience, teamwork, and a deeper appreciation for nature and community.
