

Trip to Jodhpur and Osian

Delhi Public School, Sector-45, Gurgaon organised an enriching 3-day educational trip to Jodhpur and Osian for 67 students of grade VII from November 14 to 16, 2024. The journey started with an overnight train ride, buzzing with excitement and eagerness.

The students reached their hotel on the morning of November 15. After breakfast and a brief rest, they enjoyed lunch before departing for the Osian Desert Safari Camp. Here, they experienced the thrill of a camel safari and were mesmerised by traditional folk dances under a starlit sky. The evening continued with a lively bonfire, dancing, and a delicious dinner, creating unforgettable moments of camaraderie and joy.

On the morning of November 16, the group explored the "Blue City" of Jodhpur. They marvelled at the significance of the Mehrangarh Fort, one of India's largest and most well-preserved forts, and learned about its rich history. The serene Jaswant Thada, known as the "Taj Mahal of Marwar," offered a glimpse into the architectural brilliance of the region, while the regal Umaid Bhawan Palace showcased the splendour of royal Rajasthan.

This enriching journey provided a perfect blend of learning, adventure, and cultural immersion. It gave the students a deeper understanding of Rajasthan's heritage and fostered a sense of wonder for India's diverse traditions. They returned with cherished memories, enriched knowledge and hearts full of inspiration, making this trip an experience to treasure.
