

‘Be wise - Immunise’ an Initiative by MCG and DPS, Gurgaon

DPS, Gurgaon in collaboration with Municipal Corporation of Gurgaon conducted a Covid-19, vaccination camp on 5th April 2021, from 9:00 am to 4:00 pm in the school premises. Mr Jitender Kumar, SDM (North) and Director Principal Ms Aditi Misra inaugurated the camp. Around 200 school staff and their family members who were of 45 years and above were a part of this camp.

Covid-19 vaccination drive is the world’s largest immunisation drive ever undertaken in history. This initiative by the school was a small step towards the betterment of the humanity as a whole. It was conducted amidst all safety protocols as specified under Covid-19 guidelines.

To make this immunisation a success, precautions like mask wearing, social distancing, hand hygiene must be followed even after the vaccination. This will have a much greater impact on how well the vaccine keeps us safe.

‘It is our endeavour to be a part of this solution.’
