

Report on Industrial Visit to Varun Beverages Limited.

The school organised an industrial visit for grade XII Commerce students on Saturday, 27th April 2024 to Varun Beverages Limited, Nuh, Haryana. Varun Beverages Limited is a key player in beverage industry and the second largest bottling company of PepsiCo's beverages in the world outside the United States. The main motive of this visit was to enhance the competency of students through their ability to observe.

After the fun filled bus journey to the plant, the students received a warm welcome by the company officials. They were shown a video explaining the safety procedures to be followed inside the plant. The students were taken on a guided tour to observe the complete production process. The working of various machines and assembly line were explained to them by the company representatives.

A presentation was shown which gave an overview of the company's formation, its vision, financial working and marketing activities. It also explained the mission of the company to ensure a sustainable eco system with a positive impact on our planet and its global reach. It threw light on the accounting system, cost calculations, community development, recycling process followed by the company. It was followed by an interactive session in which the students participated enthusiastically.

It was an enriching and memorable experience for the students to understand the practical application of the theoretical concepts covered in the class.
