

Workshop on ‘Values of Teamwork’

A workshop on the ‘Values of Teamwork’ was conducted on March 26, 2025, from 2:20 PM to 4:30 PM in the School Auditorium for the students of Class VIII of DPS Shiksha Kendra. The session was facilitated by Ms. Dinu Raheja, ED, tGELF/JA India and focused on developing essential teamwork skills.

The session commenced with students sharing their insights from a pre-workshop form, assessing their initial understanding of teamwork. This was followed by a visual guessing activity, where students identified teamwork elements and collectively defined it as collaborative learning directed toward a common goal. The discussion highlighted key aspects such as a positive mindset, trust and cooperation, essential for effective teamwork. Ms Raheja further explained the moral and ethical principles that strengthen team dynamics.

A slideshow illustrated core values like honesty, discipline, peace, empathy, and trust. This was followed by a short video titled ‘Sharing is Caring’, reinforcing the importance of collective effort. The concept of the Five C’s of Teamwork was introduced, after which students were divided into 14 teams of seven each to engage in a collaborative problem-solving activity. This hands-on task encouraged them to apply teamwork strategies in an effective, efficient, and ethical manner.

The session concluded with students reflecting on their contributions and learning, emphasising experiential learning. They actively participated, gained valuable insights, with key takeaways on teamwork and collaboration.
