

CLASS ASSEMBLY

Great things come from hard work and perseverance

'All roads that lead to success have to pass through hard work'

Hard work and perseverance are the keys to success. One who works hard, achieves the desired goal. Students of classes VI, VII and VIII actively participated in the assembly held on 29th April 2022 on the topic, 'Great things come from hard work and perseverance.' The assembly commenced with a devotional prayer followed by a beautiful thought for the day and the latest news. The students engaged in a thought provoking discussion on having faith in their capabilities and overcoming challenges through hard work and perseverance.
