

REPORT CLASS ASSEMBLY

“Nonviolence is the personal practice of not causing harm to others under any condition”

School assembly is an excellent resource to ignite the spirit of leadership, accountability and responsibility in students. The students of Class IX presented an assembly on Wednesday, 10th May 2023, on the topic ‘Nonviolence in our daily lives’.

The assembly commenced with a prayer followed by the thought of the day, DPS news, sports news, weather report and an intriguing poem. The assembly concluded with the motivating words shared by the respective class teachers who further spoke about how **nonviolence approach is the best ethical response to any conflict**. Importance of peace, harmony and love were also discussed at the end of the assembly.
