

## Topic- ROLE OF YOUTH IN OUR COUNTRY

**"The youth of today are the leaders of tomorrow."**

The students of class IX presented an assembly on "Role of youth in the country". The assembly commenced with a prayer followed by the thought for the day and the News headlines. Students highlighted the role of youth in shaping a country's future.

The youth of our country has always been at the forefront of change. It is our responsibility to use their influence to contribute towards a positive change in the way our democracy functions.

The students emphasised on the fact that in today's digital age, youth are leading in technology and innovation, which gives us a unique advantage in shaping the future economy.
