“A celebration of life, laughter and memories” – The joys of Friendship

The students of Class IX presented an online assembly on Wednesday, 2nd August 2023, on the topic ‘Joy of Friendship’. Life is a beautiful adventure with good friends. Friendship is the process of making memories, building trust, and holding each other’s back.

The assembly commenced with a prayer followed by the thought of the day, an intriguing poem, anecdotes, DPS news, weather report and sports news. The assembly concluded with the motivating words shared by the respective class teachers, who further shared the importance of friends in life.
