

REPORT - CLASS ASSEMBLY

‘ Punctuality is respecting your own commitment.
Plan ahead to make the best out of your time.’

The students of Class IX presented an assembly on Wednesday, 3rd May 2023, on the topic ‘Punctuality and Planning’.

Cultivating punctuality with planning is essential for being successful in life. People who manage their time well are always in control of themselves and their lives.

The assembly commenced with a prayer followed by the thought of the day, an intriguing poem, DPS news, weather report and sports news. The assembly concluded with the motivating words of the respective class teachers who further encouraged the students to plan their day in advance and be punctual and honour their commitments.

“Be on time to better yourself.”
