

REPORT  
CLASS X ASSEMBLY  
TOPIC: MAGIC OF RAINS

**“With each raindrop that falls, we unravel the lessons of impermanence, renewal, and the beauty of embracing life’s storms.”**

Rain has the potential to nurture. In order to highlight the importance of rains the students of Class X presented an assembly on Tuesday, 25th July 2023, on the topic ‘Magic of Rains’.

The assembly commenced with a prayer followed by the thought of the day, DPS news, sports news, weather report and a talk on the magic of rain. The students discussed the importance of a rainy day and the arrival of monsoons which bring a sigh of relief. A rainy day is enjoyed by the young and the old as it brings joy and soothes each soul. The assembly concluded with words of encouragement and motivation for the students .
