

## Report - Diwali E-Card Activity

Delhi Public School, Sector 45, Gurgaon organized Diwali E-Card making activity for students of middle school. The emphasis was on celebrating Diwali with joy and happiness and keeping the environment green and clean. The students enthusiastically participated in this online event and made e cards based on the **Sustainable Development Goals (SDGs)** or **Global Goals** which are a collection of 17 interlinked global goals designed to be a 'blueprint to achieve a better and more sustainable future for all.'

### Goal 11: Sustainable cities and communities

'Make cities and human settlements inclusive, safe, resilient, and sustainable.'

### Goal 13: Climate action

'Take urgent action to combat climate change and its impact by regulating emissions and promoting development of renewable energy.'

Children shared their ideas by creating E-Cards showing ways on how to celebrate an eco- friendly and fun filled cultural Diwali.
