

REPORT ON GANGES HOUSE ASSEMBLY- NEW BEGINNINGS

'New beginnings are the sunrise of transformation, painting the sky of your life with hues of endless possibilities.'

New beginnings symbolize the turning of a page, a chance to leave behind the past and embrace the future. It's about renewal, reinvention, and the courage to step into the unknown with anticipation. Resonating this essence of a fresh start, Ganges House presented the assembly on 'New Beginnings' on 12th February 2024 in the school auditorium.

The students of Ganges House presented an enchanting dance performance alongside a live choir on the song, 'My Own Superhero'. This melodious rendition celebrated the idea that everyone is blessed with an innate strength to overcome challenges and emerge victorious in their life story. This was followed by a thought-provoking skit on Snowdrop, a flower that blooms early in the spring, sometimes even pushing through the snow. The journey of Snowdrop gave out a beautiful message that even in the face of adversity, we can find the inner strength to push through difficulties and embrace the promise of a brighter future. The students thoroughly engaged the audience with their splendid performance and conveyed the message of resilience and hope. They were lauded by the audience for their efforts.

The Director Principal, Ms. Aditi Misra, also welcomed the parents and thanked them for being a part of the assembly. In her address, she highlighted the importance of being positive in life. She urged the parents and the students to be grateful and to always count their blessings.

The assembly concluded with the vote of thanks proposed by the Student Council. They thanked the audience for attending the assembly. Their presence served as a great motivation for the students and boosted their confidence.
