

Class II-Book Week 2023-24

The much-awaited **Book Week 2023-24** commenced on **26th Feb. 2024** with a bucketful of activities and concluded with a special assembly titled **Books Light Up Our World** on **1st March**.

The celebration kicked off with **Tell the Tales**, a fairy tale-based verbal quiz in all Class II sections, enhancing students' knowledge. **Book the Book** followed, allowing students to detail their favourite books through a writing activity. A presentation, **Anatomy of a Book**, educated students about the various parts of a book. **Mark the Book** involved a bookmark-making activity where students drew, coloured a pile of books, and wrote an inspiring reading quote. The creativity and spontaneity of students were tapped through a speaking competition, **Pictospeak**. Finally, a special assembly, **Book Light Up Our World**, showcased the advantages of reading. Students were also told about the various parts of a book and different types of books which truly enhanced their knowledge about the books. The assembly was a good blend of information, dance and music. The Book Week activities were thoroughly enjoyed by the students. The primary aim was to encourage students to befriend books and instil healthy reading habits early in life. To achieve this, engaging activities were conducted.
