

Infant- Rumble in the Jungle

The little ones of Infant presented a musical show 'Rumble in the Jungle' in the first week of March'23.

They enthralled everyone as they sang and danced spreading good cheer all around.

The beautiful message showcased was that we should all live in harmony with each other as Nature has enough to satisfy our needs.

The pretty dancing flowers, little hunters, wise sages and the charming animals left the parents spell bound with their power packed performance.
