

DELHI PUBLIC SCHOOL GURGAON **MOCK ELECTIONS REPORT**

"The vote is precious. It is the most powerful non-violent tool we have in a democratic society, and we must use it."

-John Lewis

To familiarize the students of the working of the Indian Democratic System, Mock Elections were organised for the students of Class IV on 9th February 2024.

Mock elections give students an opportunity to participate in the electoral process. The students were made aware of how elections are conducted in our country. They created original party symbols with catchy slogans and included them in their manifestos. The shortlisted students propagated the election campaign to convince their friends to support them. On election day, the students casted their votes and the teachers counted the ballots. The results were announced and the candidates who received the maximum number of votes were elected for the posts of class monitor, cupboard monitor and environment ranger.

To ensure a transparent and effective electoral process, Ms.Laveena Hemrajani, Headmistress, Junior Wing, and Ms. Geetu Khanna, Senior Mistress visited the classrooms as Election Officers.

Altogether, the students had a stimulating and energizing experience that reinforced their management and leadership skills. This helped the students to develop both cognitive and practical abilities through this hands-on activity.
