

REPORT – INTER HOUSE MATH QUIZ

CLASS – VII and VIII

“Life is a math equation. In order to gain the most, you have to know how to convert negatives into positives”

-Aryabhata

An Inter-House Math Quiz was organized by Delhi Public School, Gurgaon for budding Mathematicians of classes VIII and VII on 22nd and 27th August 2024 respectively.

The quiz was conducted in four rounds for both the classes – Identify the Mathematician, Decode It, Rearrange Jumbled Letters to make Mathematical Words and Rapid Fire for class VII and Mental Ability, Jumbled Words, Spot the Error and Rapid Fire for class VIII which tested the capabilities of the students and motivated them to learn and expand their knowledge. The quiz assessed the logical and analytical skills of the students with a varying degree of difficulty and provided an important learning experience to all the students.

The quiz broadened students’ educational horizon by presenting challenging questions that require critical thinking. All the students participated with lot of enthusiasm showcasing their potential.

Ravi house bagged the first position followed by Satluj house in class VIII and Ganges house bagged the first position followed by Satluj house for class VII.

The quiz enriched the knowledge and curiosity of the students and boosted their confidence. All the participants enjoyed the intriguing event.
