DIWALI AND CHILDREN'S DAY CELEBRATION REPORT

'Festivals give us a moment to appreciate the beauty and significance of life.'

Diwali is an occasion to celebrate victory over evil, light over darkness and awareness over ignorance. To celebrate this auspicious day, various activities were organized for the students of the Junior Wing, beginning with an inter-house rangoli competition on 6th November 2023. The students also made wall hangings by reusing old clothes, colours and decorative material. The vibrant wall hangings were created with lots of excitement adding warmth and a festive charm to the day. It was impressive to see the young artists present their artistic flair through intricate patterns and designs.

A special online assembly was conducted on 8th November 2023. The assembly started with a prayer and a beautiful thought of being thankful and grateful to the Almighty for his numerous blessings. The students were taught the importance of using eco-friendly material for decoration and gifts, proper disposal of waste and keeping their surroundings clean. By highlighting the harmful effects of bursting crackers, students were advised to celebrate a Green Diwali and be responsible towards Mother Earth.

The Children's Day celebration included a hands-on sweet treat making activity. Students thoroughly enjoyed making choco rolls and garnished them with fruits, biscuits and toppings. It was followed by movie time where students enjoyed the animated characters come to life on the screen through a delightful online cartoon movie. The students had a gala time in their cozy corners with their favourite snack.

The celebration culminated with online dance by students and teachers on foot tapping music.
