

tGELF Report

SKILLD Teacher Training - Class VII

A tGELF workshop was organised by DPS Gurgaon for the teachers of class VII on 1st April 2022. The resource persons were Ms Dinu Raheja, Ms Shuchi Sharma and Mr Rahul Augustine. The main focus of the session was that leadership is not only about skill-building but also about inculcating morals, ethics and values in our youngsters. The session covered various units from the tGELF manual. The comprehensive sessions and their in-depth explanations by Ms Shuchi and Mr Rahul helped everyone to understand the need of inculcating leadership qualities in our future torch bearers. The session brought forth the great leaders we should look up to, pertinent issues that need to be addressed in the class and how to motivate the students to understand that leadership is about rising above oneself and seeing the greater good. The entire session was a very interactive learning experience which ended by changing a few notions and putting a happy smile on everybody's face.
