DPS Gurgaon organized a tGELF workshop for the teachers of class X on 6th April, 2022. Ms. DinuRaheja, Ms. Shuchi Sharma and Mr. Rahul Augustine conducted the workshop. The session was based on the theme, 'Introducing Leadership and Entrepreneurship' and trained the teachers to conduct the tGELF sessions in their respective classes. The workshop covered various units from the tGELF manual and was highly interactive, activity oriented and informative.

Various comprehensive sessions and their in depth explanation by Ms. Shuchi and Mr. Rahul helped everyone in understanding the need of inculcating leadership qualities in the future torch bearers. It further helped everyone gain a better insight into the techniques of conducting the various activities in class and how to make them more enjoyable. This workshop brought forth the pertinent issues that need to be addressed in the classes and how to motivate the students to be focused, even as they face continuous perils.

Overall, this was a fruitful workshop and the teachers looked forward to more such enriching sessions in the future.
